- Anyone with design skills who are launching their own products.

What you will learn

This Packaging Design course covers everything from understanding the industry through to creating and delivering your own designs for production.

- Learn about the packaging environment,
- Find out how things are changing and developing in the packaging sector,
- How to plan your packaging, tags and carrier bag designs,
- How to find inspiration for your designs,
- How to create the design and artwork for your designs to be produced,
- Design, Build and Experiment with your ideas with our module projects throughout this course,

All of these are done by carrying out projects which you will work on with your course tutor/ professional design coach. This is over and above your course module studies.

COURSE STRUCTURE

There are 7 modules in this course to be completed. Each module has been designed as progressive steps so that you are learning by doing. You will be presented with Projects and Assignments in each module in which you will be assessed, plus a final exam which is carried out online through our online campus.

MODULE ONE: Introduction to Packaging Design

In this first module, you will look at the history and the developments within the Packaging Industry. You must understand the evolution of this ever-changing environment to help you lay a foundation for your own style.

MODULE TWO: The Creative Design Process - Level 4

One of the most valuable areas in your design career. This module will guide you and help you to develop your very own creative design process so that you will come up with your very own unique ideas and inspiration.

MODULE THREE: Design for Packaging, Tags & Labels

Now that you have started to get your own design process into a system for yourself, you will start working on a number of projects which you will work on in great detail with your 1 to 1 Design and Training Coach. Here

you will go through the complete process and cover all of the important, technical and production areas of Packaging and Label Design.

MODULE FOUR: Testing your Designs

You will take what you have designed in Module Three and be shown how to test your designs before you even attempt to go to the final production. This will involve a number of test areas that will become very valuable to you as a designer and to your clients.

MODULE FIVE: Presentation

Selling your ideas is just as important as designing them. In this module, you will learn how to present your ideas effectively and creatively. You will be given a selection of projects to assist you with this area which again you will work on with your 1-to-1 Design & Training Coach.

MODULE SIX: Packaging, Tags & Label Detective

Time to look outside your designs and into the world of Packaging and Label Design. Here you will be given several tasks to carry out and look at other projects to see how and why they have been done in a particular style and format.

MODULE SEVEN: The Ultimate Project

Just as the title says in this module. You will be given a number of projects which will become your Ultimate Projects, bringing everything you have learnt in this course to a close. You will not only find this module exciting but stimulating and inspiring.

On successful completion of this specialist course, you will be awarded our Specialist Level 4 Diploma Certificate. You will also be given a one-year free registration as a Professional Graphic Designer with the PGDA (*The Professional Graphic Designers Association*).

ENTRY REQUIREMENTS

Once you have enrolled on this Specialist level 4 Diploma Course and your campus student account has become active, you will then be able to arrange with your one-to-one training coach a day and time for your first one-to-one tutorial. It is a good idea to set the same day and time for each week for the duration of this course. You will then work through a module each week. The aim is to complete this course over 6-12 months.

SOFTWARE:

For this course, students should have access to one or all of the following; **Adobe Creative Suite** or individual programs such as **Adobe Illustrator, InDesign, Photoshop, and Adobe Acrobat Pro**.

TIME:

This course has been designed to complete in 6-12 months with some flexibility depending on the time available to each student. The maximum time for completing this course is 12 months. Many students complete this course within 6-8 months but it depends on how much time you have available each week. If you are working full time we can easily help organise your study time with you. Most of our students are in full-time employment, so don't worry if your time is restricted. On average you would need a minimum of between 5-10 hours each week to commit to this course, but we do allow for flexibility. Your course tutor/professional design coach will help you with your study plan once you have started this course.

STUDY MATERIAL:

Study material will be supplied to you digitally when you start through our campus plus our other facilities. If you would like recommendations or additional learning material we can suggest these for you, but you will find the material we provide will be more than enough for this course.

COMMUNICATION:

It is important that you have access to the Internet and Microsoft Teams with a webcam as you will need these for your one-to-one Teams sessions. Using Teams means you can record the session plus the ability to share screens and send files during these live sessions. You will also be required to use our online campus mobile app once you have enrolled. This is used to keep in contact with your course tutor/professional design coach.

KNOWLEDGE & SKILLS:

You should have good knowledge of the design software but you will be given lessons on how to use the relevant software throughout this course. Make sure you have access to the software mentioned in this section.

YOUR ATTRIBUTES:

An ability to be self motivated, open to new ideas along with a good eye for design. You should also be committed to this course and eager to learn. Preferably you will have studied graphic design at an intermediate level before or have had training in graphic design at an intermediate level.

ENTRY QUALIFICATIONS:

Have intermediate to advanced knowledge of graphic design. If you have a portfolio of any work you have done previously, please send a link to this with your course application form. You will be given a Pre-Course Assessment once you have enrolled onto this course to establish the knowledge and skills you have before starting this main course. You must also be able to write, understand and communicate fully in English.

HOW TO ENROL

1. Complete our Course Application Form which you can download from our 'ENROL' page on our website.
2. Print off the application form and complete it in handwriting, making sure you complete all of the sections. Make sure you read through the terms and conditions before signing in all areas of the application form and don't forget to include a photo of yourself for our online campus profile identity.
3. Scan or take a photo of the completed application form and email it back to us at **admin@creativedesignschool.com** and we will inform you if your application has been accepted. Do not make any payments until your application has been accepted. You will receive an email from us telling you if you have been accepted or not.
4. Once your course application has been accepted, we will contact you to let you know and then give you instructions on how to make your full course payment which you will need to pay before enrolment can be completed. Payments are made using PayPal or by Bank transfer (*depending if you are located in the UK or Internationally*). If your company or organisation is paying for your course you must inform them that payment must be received before your student account is set up.
5. Once we have received all of the above, we will then set up your student account on our online campus, which can take up to 5 working days but we aim to try and complete this sooner when possible. You will then receive your username and password which will allow you to start your course.
6. You will also be contacted by your one-to-one tutor who will arrange a Teams lesson with you to discuss your course in detail.

Don't forget to answer all of the questions on the course application form. Anything missing will result in your course application being rejected.
